

IT'S ALL ABOUT THE CAR AND THE TUNES. SO WHEN
IT COMES TO MAKING A COMPLETE SOUND SYSTEM
WE DON'T STOP WITH GREAT AMPS AND SPEAKERS.
WE HAVE ALL THE ACCESSORIES YOU'LL NEED, IN
THE VARIETY YOU WANT. BECAUSE WE KNOW
THE SMALLEST THINGS MATTER MOST.

PHOENIXGOLD®

WE UNDERSTAND the power and importance of sound. That's why we've been connecting people to it for over 20 years. By powering, connecting and projecting its flow, we feel we have a responsibility: to create the best in sound quality. In this pursuit, we make no compromises. Our functional designs improve performance, and through expert and efficient engineering, we ultimately produce higher quality products at a great value.

We know not everyone will notice, but to those who understand and appreciate the small elements that make a difference in the flow of sound, we believe a Phoenix Gold product stands alone.
